

ITEA RMC Officers Meeting Minutes

An ITEA RMC monthly meeting was held 16 November 2005 at the Booz Allen Hamilton Plaza Building.

The Agenda, Officer Roster and Organizational roster are attached.

Attendees: Harold Huchins, LtCol Mark Harter, Monty White, Wende Cook, Chief Mark Barton, Carl Peterson, Bob Keyser, Terry Miller, Jeremy Kipp, Rich Peach

The following key points were discussed:

2006 Symposium

Chief Mark Barton, 2006 Symposium Co-Chair -

Cheyenne Mountain Resort and Doubletree are not feasible.

Waiting for quote from Antlers Hilton - also investigating Ft Carson or Peterson AFB as possible venue locations. Chief Barton will discuss with Dave Reynolds for additional detail. Still looking for Guest Speaker candidates.

According to LtCol Mark Harter, the TDY budgets are likely to remain constrained in 2006.

Corporate Sponsorship

Wende Cook, VP Corporate Sponsorship - A Whiteboard session is needed to determine innovative ways to entice corporate sponsorship for the Rocky Mountain Chapter. Half an ITEA journal page Sponsor advertisement is no longer enough enticement. Perhaps, affording 15 minutes to speak about a particular sponsor at an event? Perhaps, a table at our event? Perhaps, each sponsor "owns" a hole at the golf tournament? Many options to discuss. Awaiting word on an agreeable time to set up this activity.

Guest Speakers

Rich Peach, ITEA Historian - Non - Military speakers Ok.

Terry Miller, President - suggests Burt Rutan, Spaceship 1 designer, perhaps?

The chapter is looking for three symposium speakers on test application in the real world. Dave Reynolds, VP Programming, is the point man.

Web Design

Darrin Talbott, Secretary, should investigate supporting ITEA History portion with Rich Peach Job referral portion design and feasibility analysis needed. Must identify information security issues, if any.
